

NEW TIPPING FENCE FOR CALF HUTCHES

Suitable for LOGISTAR™, MIDDLESTAR, MINISTAR™ hutches

Comfortable and healthy living conditions for your calves are decisive factors to achieve optimal growth performance. The patented design of this new tipping fence suits every LA BUVETTE hutch. Placed outdoors, the assembly of fence + hutch guarantees management results that have been tested and approved by breeders: lower mortality rate and fewer diseases for higher productivity.

The hutch folds into the fence.

The fence folds over the hutch.

The wheels make the fence+hutch very mobile.

ref. D-119 Fence for calf hutch EAN13 3599150047791

ref. D-120 Gate for calf hutch EAN13 3599150047807

New Fence for even higher comfort and easier use

- ▶ Only one fence and gate fitting all 3 types of hutches: Ministar™, Middelstar and Logistar™.
- ▶ Patented design.
- ▶ Large fence measuring 2,12 m² for more animal comfort:
 - inside dimensions: L 1485 x W 1430 x H 900 mm,
 - gate dimensions: L 750 x W 650 mm.
- ▶ Frame made of steel tubes with a large diameter for increased strength and longer service life. Hot dip galvanised.
- ▶ Two feed barriers for 2 pails with a diameter of 280 mm or 340 mm (optional).
- ▶ Standard built-in mounting bracket for pail with nipple.

Hygiene & Transportation

- ▶ Removable gate can easily be placed on the hutch to give the breeder free access without obstacles while cleaning.
- ▶ The hutch can be tipped into the fence for easier cleaning.
- ▶ The fence can be lifted over the hutch to clean the run.
- ▶ Standard built-in wheels allowing the assembly of fence + hutch to be easily moved by hand when the hutch is tipped inside the fence.

Safe design

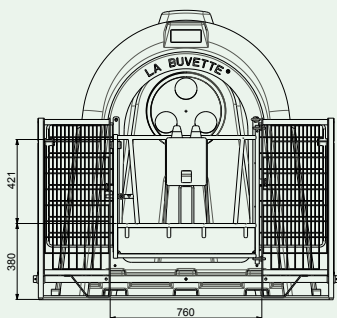

- ▶ For the calf: lower part of the gate made of sheet metal, lock out of reach of the animal, 80 x 40 mm grating.
- ▶ For the breeder: no sill bar rules out the risk of falling.

Simplicity

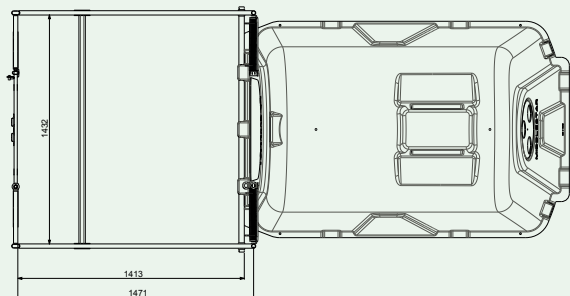

- ▶ The gate is easily removable: just take out the hinge pin to remove the gate and to place it on the hutch or on the fence.

Different Hutch Types

Insulating, sturdy and practical

- ▶ Hutches made of white, food-safe, UV resistant, 100 % pure high-density polyethylene.
- ▶ Adjustable ventilation in the back side and roof (except Ministar) for better ventilation and continuously refreshed and clean air.
- ▶ **Shock resistant seamless PE hutch ensures a longer service life.**
- ▶ Once the fence is installed it can be moved effortlessly on retractable wheels.

LOGISTAR™

Great comfort for 1 calf of 0 to 2 months of age
Outside dimensions:
L 2200 x W 1450 x H 1400 mm
ref. D-111
Cover (optional)
ref. D-122

MIDDLESTAR

For 1 calf until 8 weeks of age
Outside dimensions:
L 2030 x W 1350 x H 1400 mm
ref. D-117
